

Do you value everyone's opinion?

RIX EasySurvey lets you create engaging multimedia surveys that are easy and fun to use. This means you get feedback that is more complete and more inclusive. Everyone can take part and no one gets left out.

Make a simple survey in seconds

It doesn't take long to create a simple survey. You can drag and drop images and videos to bring your survey to life, making it easier to complete and fun to use.

Easy to complete

Surveys can be sent out via a simple code, printable ticket or invitation. People can complete them on their smartphone, tablet or PC. All you need is an internet connection and a web browser.

Easy to listen

Feedback is captured instantly in visual wordclouds and easy to review statistics. Data can be downloaded and imported into your spreadsheet software for detailed analysis and presentation.
